Laura,

Hope you're well. I'm reaching out regarding the Voter ID Ballot Initiative that has qualified for the November. I am working with the coalition that is opposing the measure, which includes Common Cause California, the ACLU, and the League of Women Voters California. We are hoping to meet with the appropriate team at the Attorney General's office to discuss the measure and the process going forward.

We are prepared to meet at your convenience, this week or next. I've copied my colleagues, Brittany Stonesifer and Cynthia Valencia who are co-managing the coalition. If you can provide us with some dates and times that work on your end, we will make it happen.

Thank you for your help Laura,

Daniel

Good morning!

Thank you both for the quick response. Just so we're clear, would this meeting be in person or virtual or both? Our leadership and attorneys are located throughout the state and country so a virtual or hybrid meeting would probably be best.

Thanks again!

Laura,

Hope you're well. I'm reaching out regarding the Voter ID Ballot Initiative that has qualified for the November. I am working with the coalition that is opposing the measure, which includes Common Cause California, the ACLU, and the League of Women Voters California. We are hoping to meet with the appropriate team at the Attorney General's office to discuss the measure and the process going forward.

We are prepared to meet at your convenience, this week or next. I've copied my colleagues, Brittany Stonesifer and Cynthia Valencia who are co-managing the coalition. If you can provide us with some dates and times that work on your end, we will make it happen.

Thank you for your help Laura,

Daniel

Laura,

Hope you're well. I'm reaching out regarding the Voter ID Ballot Initiative that has qualified for the November. I am working with the coalition that is opposing the measure, which includes Common Cause California, the ACLU, and the League of Women Voters California. We are hoping to meet with the appropriate team at the Attorney General's office to discuss the measure and the process going forward.

We are prepared to meet at your convenience, this week or next. I've copied my colleagues, Brittany Stonesifer and Cynthia Valencia who are co-managing the coalition. If you can provide us with some dates and times that work on your end, we will make it happen.

Thank you for your help Laura,

Good morning, Laura. Thank you for reaching out. Our preference is for Tuesday or Monday afternoon. There is ongoing research, so we prefer as much time as we can get while also ensuring the timing of our input is valuable to your team. Will you please let us know what works best in light of the above?

Hi Kate, hope all is well. I am reaching out (correctly this time) to request a title and summary/ballot label meeting regarding the Voter ID measure, No. 25-007A1. Our request is for June 29, 2026 or later if possible. Attending the meeting will be me, Oscar Lopez, and Jeff Gozzo. There may be others, but that's the list for now.

Thank you, really appreciate it!

Laura,

Hope you're well. I'm reaching out regarding the Voter ID Ballot Initiative that has qualified for the November. I am working with the coalition that is opposing the measure, which includes Common Cause California, the ACLU, and the League of Women Voters California. We are hoping to meet with the appropriate team at the Attorney General's office to discuss the measure and the process going forward.

We are prepared to meet at your convenience, this week or next. I've copied my colleagues, Brittany Stonesifer and Cynthia Valencia who are co-managing the coalition. If you can provide us with some dates and times that work on your end, we will make it happen.

Thank you for your help Laura,

Hi, Rob. Thanks for reaching out. I'm free today at 2 or 330 if either of those times work for you? Or we can find time tomorrow.

Laura,

Hope you're well. I'm reaching out regarding the Voter ID Ballot Initiative that has qualified for the November. I am working with the coalition that is opposing the measure, which includes Common Cause California, the ACLU, and the League of Women Voters California. We are hoping to meet with the appropriate team at the Attorney General's office to discuss the measure and the process going forward.

We are prepared to meet at your convenience, this week or next. I've copied my colleagues, Brittany Stonesifer and Cynthia Valencia who are co-managing the coalition. If you can provide us with some dates and times that work on your end, we will make it happen.

Thank you for your help Laura,

Daniel
