### EU budget implemented directly by the Commission (representing around 20% of the total EU budget expenditure) :

Please find below the total amount of our legal obligations signed in the selected financial year exactly and/or partially matching your search criteria. We provide information at the level of commitment appropriations which are legal pledges to provide finance, provided that certain conditions are fulfilled. The subsequent payments (not published on the FTS), can therefore be spread over more than one year and the total amount paid out may be smaller. [More information](#).

As some commitments relate to projects with multiple beneficiaries, the total amount includes beneficiaries from all types (NGO, NFPO, for-profit) and from all countries. You searched for a specific beneficiary name, type, country or postal code: the estimated amount for matching beneficiaries represents the sum of the indicative share for each beneficiary when this information is available depending on the type of agreement and in accordance with the Financial Regulation. As the actual share may evolve over the lifespan of a project the amounts published are indicative. [More information](#).
