Thanks for sending, and sorry for the delayed response (it was a surprisingly hectic day!).

We're going to decline to discuss/confirm anything further related to that channel. Sorry!

Yeah - so I'm working on a Jake Sullivan profile and in the course of my reporting, I was told that he actually held a face-to-face meeting with Iranian officials in Oman in July 2012 and that he dropped off a Clinton trip briefly to do so. It's from a pretty reliable source but would feel more comfortable with some guidance from you guys since I know the circle on this stuff wasn't very big.

Thanks,
Julie

Hey there – Can you call me when you get a chance? Had something come up related to the Iran talks reporting we have and wanted to run it by you. [redacted]
